CLUB SAILING AND TRAINING

BHYC is an RYA Registered Training Centre and has RYA Onboard status. We welcome all those who would like to learn and improve their sailing and powerboat skills.

An outline of sailing and powerboat training activities is shown in the Sailing Programme or under Training, but look out for further information in the Newsletter and on the website (www.bhyc.org.uk). There will be specific courses under the RYA Youth and Adult sailing schemes, along with advanced modules and RYA Powerboat Training during the year in a selection of Club training boats. Race Training for both cadets and adult Members is available. The Club has a variety of dinghies that can be hired for Club activities only. Details can be found in the foyer of the Clubhouse and on the BHYC website.

RECREATIONAL SAILING ON RACE DAYS

Those wishing to sail/cruise around the race course during race days must Sign-On using the appropriate sheet in the Jubilee Centre; the patrol boats will be advised of your presence. The Race Officer will inform helms of the race course and advise as necessary. It is important that boats stay within agreed sailing areas, keep clear of marks, start and finish lines and return to BHYC with the racing fleet, when they should inform the Race Officer at the Jubilee Centre.

TRAINING

BHYC is proud to be an RYA accredited Training Centre (RTC) and has RYA ONBoard status for its work with local schools and groups to promote training and sailing. It is important that we develop our young sailors and support them through a process that maximises their potential. We deliver our training programmes to cater for all levels to promote sailing in the community. Whether a beginner or an experienced sailor, whatever your age, we have something to develop skills.

SPENCE WILLARD AFTER SCHOOL SAILING SESSIONS

Are you learning to sail and want to get out on the water and make new friends, or perhaps you would like to practise your sailing skills? Sessions run from spring to autumn; for more information email training@bhyc.org.uk

BRITISH YOUTH SAILING RECOGNISED CLUB

Brading Haven Yacht Club is a British Youth Sailing Recognised Club, we are committed to the development of junior and youth racing and race training, which is delivered in a safe and fun environment.

SAILABILITY @ BHYC

Sailability is the RYA's national programme enabling people with disabilities to try sailing and take part regularly. At BHYC we have a Bembridge Swan that we use for these sessions.

POWERBOAT GROUP

If you have your RYA Powerboat Level 2 and would like to practice or improve your boat skills come and join us. Sessions will also run for cadet members who have their RYA Powerboat Level 1. Email training@bhyc.org.uk for the dates or check out the weekly newsletter.

CADETS

Brading Haven Yacht Club Cadet nights are held during the year with a mixture of after school sailing, practice sailing sessions and at the weekends a youth coaching programme.

We also focus on the social side of Club Membership with events during our Sail Training Week and school holidays. Children and families can join in with many events we run including sailing, paddle boarding, beach scavenges, game nights, rib rides, bowling nights and lots more. Onshore sessions Cadets learn water safety, rigging, parts of the boat, sail trim, knots, games and drills for on the water. We have activities on and off the water throughout the year.

Generally, parents stay and join in the fun and it is a really good way of meeting new friends. You can find all Cadet Events in the weekly newsletter or on the Club's Social Media pages. Please do sign up to the Cadet contact group via training@bhyc.org.uk and look out for details in the Club weekly newsletter, Club Facebook pages and on the Club notice board.

LADIES THAT LAUNCH (LTL)

Ladies have been sailing socially and competitively at Brading Haven Yacht Club since 1950. BHYC is proud of their legacy and want to build on their successes and encourage even more women into sailing. The Ladies that Launch group has been supporting women sailors of all abilities since 2013 and many of those who joined us as beginners are now regularly participating in social sailing and racing.

The Ladies that Launch ethos is to ensure that everyone has opportunities to improve their skills and confidence. That might be through RYA accredited group and individual training led by the training team or mentoring and practice sessions supported by Club Members.

We enjoy the fun, friendships and camaraderie we forge as we hone our confidence and technical skills out on the water. Many friendships have been formed on the back of our training courses, workshops, social sailing and racing activities which take place throughout the year. We also enjoy off the water social activities. All details are advertised in the Club newsletter, Facebook or our Ladies that Launch WhatsApp group. If you are interested or would like to know

more about joining us please contact Linda Briant or Polly Schafer by emailing training@bhyc.org.uk or come along to our monthly BHYC social and sailing evenings (first Friday of the month from 6.30 at the bar). We look forward to welcoming you.

RACING

All members are welcome to join in the racing. Full Racing Instructions covering all Club races are available on the BHYC website and from the foyer or the Jubilee Centre. Racing instructions covering the events organised under the burgee of East Wight Combined Clubs (EWCC) will be issued in the summer as part of their Regatta Series Programme. It is essential that helms sign the indemnity form in the Jubilee Centre before their first sail of the season. All helms must *Sign-On* in the Jubilee Centre.

We start our main season at the Easter Series with a series of eight races. Please study BHYC Racing and Training programme in the middle of this booklet where full details are given; we have

tried our very best to please everyone from racers to recreational sailors alike. More information will follow throughout the season in the Club Newsletter. Please pick up an EWCC 2020 Programme at the Bar for details of Regattas around the region when available in April.

FORMAT OF RACING

To reduce congestion in the harbour and to reduce the risk of collision, the majority of starts at summer weekends will be from a committee boat outside the harbour as identified below. There will still be starts from the Harbour Line for all races in the Icebreaker and Evening series. Where two races are designated, the points from each race will contribute towards the series totals.

The start time and starting line, Home (H) or Committee Boat (CB), shown in the programme is for the first race. For the committee boat starts please allow enough time to sail out of the harbour and get to the committee boat.

SAILING SUPPORT CREWS "DUTYMAN"

All competitors are encouraged to sign on to "Dutyman", on the website. It is your chance to volunteer to be Race Officer, Race Officer's Assistant, Patrol Boat Helm or Patrol Boat Crew. You can do as many duties as you like, although those participating in sailing will be encouraged to undertake duties which will be allocated according to experience / qualification. The next few weeks' diary of duties is always put in the Newsletter and more than those few weeks is available on the website. Should you have any difficulties with "Dutyman" please speak to anyone on the Offshore Committee who would welcome your question. Helms require a minimum of RYA Powerboat Level 2 Certificate and preferably a VHF Certificate. Crews need no qualifications but are expected to be reasonably fit and agile. Crews wishing to gain qualifications should watch the notice board and Newsletter for details of courses. Offers of help for support boat duties should contact dutyman@bhyc.org.uk. Race Officers should arrive 1 hour 30 minutes before the race for Committee Boat (CB) Starts and 1 hour before the start for Home (H) Starts. Crews should report to the Race Officer 1 hour 30 minutes prior to Committee Boat (CB) Start and at least 1 hour before a Home (H) Start.

BHYC REGATTA

The BHYC Regatta will be on 23rd August. Details and racing instructions will be available on the BHYC website and in the East Wight Combined Clubs website (www.ewcc.co.uk) and their Programme which also provides information on other local regattas. Full details will be posted on the notice board.

Bembridge Village Regatta is on Saturday 1st August, hosted by BHYC with BSC. Scow Open Championships will take place on the 16th August.

Full details of all the Regattas can be found in the East Wight Combined Clubs (EWCC) Programme available from the Club from April.

INTER-CLUB RACING

Apart from the EWCC Regattas, there are 'home and away' interclub team events for Scows. These are against Yarmouth on 1st & 29th June. BHYC competes with four other clubs in Mermaids and team racing in the summer months.

SCOW OWNERS

We want to encourage as many Scows on the water as possible in 2020. Scows don't have to race (although many find that gives a sense of purpose to the sail and makes it more fun), just

get out on the water and enjoy some sailing time with like-minded people. We try to have Scow social suppers from time to time. If you have any other social Scow ideas please do not hesitate to contact the Scow Captain Anne Barlow by sending an email to offshore@bhyc.org.uk Anne would be happy to help you rig and tune your scow as well as answer any questions about the Scow class.

BEMBRIDGE SWAN OWNERS

We want to encourage as many Swans on the water as possible in 2020 and have lots of ideas that are in addition to the listed events, so please do look out for details in the Club weekly Newsletter, Club Facebook pages and on the Club notice board. Suggestions include passages, picnic sails and fishing trips.

For those who enjoy class racing, the Bembridge Swan series for the BHYC Swan Trophy runs throughout the season in conjunction with the Club Racing Programme. The Trophy will be awarded to the winner.

Designed by Alan Coombes in 1955, the Bembridge Swan has been a familiar sight at the Club for many years and the new Swan Class Captain, Linda Briant is optimistic that five or more Swans will be sailing or racing together throughout the season, a fine sight and great fun. The Club has its own Swan, Scottie, which can be hired for racing or recreational sailing. out

HIRE OF CLUB BOATS

There are a number of Club boats that can be hired all year round. If you wish to book a boat then please fill in the interactive form on the website and submit it or call the office for availability.

CUPS AND TROPHIES

Cups and Trophies will be awarded to the overall winners in Fast Handicap, Slow Handicap and Scow Class, other classes subject to entrants, in each of the series. The Offshore Committee will consider the addition of cups for other classes at the end of the season.

The prizes will be presented twice a year. At the **Fitting Out Supper** in March prizes will be presented for the Frostbite series. The Icebreaker prizes will be presented on the last day of the series. At the **Laying Up Supper** in October all the prizes from the Easter to the Autumn Series are presented along with the special races for that season.

Any cups or trophies for the regattas will be presented on the last day of those Regattas as laid out in the EWCC programme. A full breakdown of the prizes presented and the winners is available on the BHYC Web site via the Club's results page.
