## **WEBSITE**

Members are reminded that the website [www.bhyc.org.uk](http://www.bhyc.org.uk) provides a valuable source of information about the Club's organisation, facilities, and activities. You can find up to date sailing (racing, cruising, and training) and social programmes, racing instructions and boat hire conditions, as well as the latest racing reports and results, and you can reserve a Club boat and book a training course. Log on to the Members' Area to access all the information you need, including details of discounts offered by the ferry operators and other companies. Questions, comments, and suggestions for improvement should be addressed by email to [webmaster@bhyc.org.uk](mailto:webmaster@bhyc.org.uk)

## **NEWSLETTER**

The Club produces a Newsletter which is published every Wednesday; it keeps you up to date with the latest goings on at the Club and contains details of forthcoming events, both sailing and social.

Duty information is also included as well as details of work parties, event reports, competitions, promotions and much more.

Ideas and contributions for the Newsletter are always welcome and should be sent to the Newsletter editor [newsletter@bhyc.org.uk](mailto:newsletter@bhyc.org.uk)

Club Members who have not already done so should register to use the Members' Area of the BHYC website by clicking on the Members' Login Section of the BHYC website [www.bhyc.org.uk/cms-homepage.asp?page=login](http://www.bhyc.org.uk/cms-homepage.asp?page=login) and completing the short application form. You will then be automatically sent a link to download the newsletter as soon as it is published each week, as well as other occasional messages about Club activities.

## **ANNUAL GENERAL MEETING**

This year's AGM will take place in the clubhouse at 2000hrs on Friday 14<sup>th</sup> September 2018.

## **HOUSE COMMITTEE**

The House Committee are working hard to make improvements to the clubhouse and grounds to benefit all members. We will be holding working parties throughout 2018. Please do come and give some help if you are able. Working parties keep the Club looking great for our members and at the end of the day you can go home with the warm satisfaction that your hard work has made a real difference. It is also a great way to get to know other members! If you want to assist watch the Newsletter and notice board for details of the next working party or alternatively contact Rear Commodore House, Janette Webb - email [janettewebbdesign@icloud.com](mailto:janettewebbdesign@icloud.com)

## **CLUB GROUPS AND SECTIONS**

### **LADIES' LUNCHEON**

Meetings take place on the first Wednesday of each month at 1230hrs for a 1300hrs lunch (excluding the months of August and September). The group is open to any ladies who are members of the Club. Ladies Lunch invites a number of speakers that cover a variety of topics. Lunch is provided by the Club's Caterer, at a pre-set cost payable on the day. The AGM is held in May each year. New members are always welcome. For more information please call Pam Edgerton, (616346) or Vice Chair (until May 2018) Marion Perchard (874978) or alternatively email [office@bhyc.org.uk](mailto:office@bhyc.org.uk)

### **BRIDGE CLUB**

Rubber Bridge is played every Thursday afternoon at 1400hrs – 1700hrs from October until April, with a break over the Christmas period. A Christmas Lunch is held annually with an 'End of Term' lunch which takes place on Thursday 26<sup>th</sup> April before the final bridge session. Play resumes on Thursday 4<sup>th</sup> October 2018. Details are put on the notice board and in the weekly Newsletter. New members are most welcome to join this fun and friendly group. Please contact Jillie Wheeler 873432, Annie Smith 875286 or email [office@bhyc.org.uk](mailto:office@bhyc.org.uk) for more information.

### **CADETS**

The cadet section is a very sociable and vibrant part of Club life. It is run by volunteers and we are always on the lookout for new ideas for events from cadets and their families and for volunteers to help out. Events are open to member children of all ages (on the water activities are for children aged 8 and over) and their parents and carers whether or not they are budding or current sailors. Events are held at least once a month and parents and carers are encouraged to stay and join in the fun, it's a great way of meeting new friends, learning about cadet sailing opportunities and experiencing some very happy times.

We have lots of ideas under development in addition to the listed events, so please do sign up to the cadet contact group via the Club office and look out for details in the Club weekly newsletter, Cadet and Club Facebook pages and on the Club notice board. Current suggestions include summer beach BBQs, a summer camp-out, picnic sails, sailing and racing workshops, on the water games and local cinema trips. We look forward to seeing you. If you would like to contact us please email [cadets@bhyc.org.uk](mailto:cadets@bhyc.org.uk)

### **SOCIAL**

More events will be added as we go through the year so please check the Newsletter, the website, and the notice board for more details. If you wish to help out on any social event or have ideas for any future events please contact RC Social Jan Baum [social@bhyc.org.uk](mailto:social@bhyc.org.uk)

## **TUESDAY TALKS**

A wide-ranging programme of Tuesday Talks has been given during the winter months for several years and it is intended that this should happen again during the winter 2018/19. The topics are of general interest, are not confined to boating, are not technical and should appeal to all. It is hoped that members will continue to enjoy another interesting series of talks during the dark months at both the end of 2018 and the early part of 2019. The talks start at 2000hrs, the bar will be open on these evenings and a special supper menu will be available; guests are welcome so long as they are signed in. The dates of the talks for next winter are shown below; full details of the Talks will be published at a later date and will also appear in the Newsletter and on the notice board at least a week before hand.

2018;- 09 & 23 January, 06 & 20 February, 13 & 27 March, 09 & 23 October, 06 & 20 November, 04 December

2019;- 08 & 22 January, 05 & 19 February, 05 & 19 March. 15 & 29 October, 12 & 26 November, 03 December.

## **LADIES THAT LAUNCH (LTL)**

The Ladies that Launch group encourages and supports women sailors of all abilities to spend as much time as we can out on the water improving our sailing, racing and boating skills.

This year the Ladies that Launch group will continue their ethos of supporting each other and ensuring that everyone has access to opportunities to improve. That might

be through RYA accredited group and individual training delivered by our Chief Instructor or mentoring and practice sessions supported by club members.

We enjoy the fun, friendships and camaraderie we forge as we hone our confidence and technical skills out on the water. Many good friendships have been formed on and off the water on the back of our Come Sail with Us events (listed in this Sailing Programme), BHYC training courses, workshops, social sailing and racing activities which take place throughout the year. We also enjoy a wide range of social activities, events and evenings, details of which can be found on our section in the Club newsletter or on our lively Facebook pages.

If you are interested or would like to know more about joining us please contact Linda or Polly and email [ltl@bhyc.org.uk](mailto:ltl@bhyc.org.uk) for more details.

## SCOW OWNERS

We want to encourage as many Scows on the water as possible in 2018. Scows don't have to race (although many find that gives a sense of purpose to the sail and makes it more fun), just get yourself out on the water and enjoy some sailing time with like-minded people. We have allocated a date for a sail round to Priory Bay for a summer picnic, bring the family. This will hopefully take place in July.

We try to have Scow social suppers from time to time. If you have any other social Scow ideas please do not hesitate to contact the Scow Captain [Anne Barlow](#) by sending an email to [office@bhyc.org.uk](mailto:office@bhyc.org.uk). [Anne](#) would be happy to help you rig and tune your scow as well as answer any questions about the Scow class.

## SAILING

Our aim is to encourage safe and enjoyable sailing for all members, whether it is Club racing, cruising, training activities or sailing for pleasure on your own. Please do ask a member of the Sailing Committee or the Boatman should you require advice or assistance (contact details below). All sailors and helpers taking part in Club-organised activities should familiarise themselves with the BHYC Safety Policy, which is available in the Club foyer, the office, Jubilee Centre or on the website.

## CLUB SAILING AND TRAINING

BHYC is an RYA Registered Training Centre, Champion Club, and has RYA OnBoard status. We welcome all those who would like to learn and improve their sailing and powerboat skills.

An outline of sailing and powerboat training activities is shown in the Sailing Programme or under Training, but look out for further information in the Newsletter and on the website ([www.bhyc.org.uk](http://www.bhyc.org.uk)). There will be specific courses under the RYA

Youth and Adult sailing schemes, along with advanced modules and RYA Powerboat Training during the year in a selection of Club training boats. Race Training for both cadets and adult members is available. The Club has a variety of dinghies that can be hired for Club activities only. Details may be found in the foyer of the Club House and on the BHYC website.

### **On Going Cadet Training**

The 420 and Pico Squad training that was started last year will continue this year, dates and times will be circulated through the various club forums. These sessions proved very successful last year and provided cadets with the regular short burst sessions to improve their sailing.

### **Dinghy Cruising and Pottering on Race Days**

Those wishing to potter/cruise around the race course during race days **MUST Sign-On** using the appropriate sheet at the Jubilee Centre, the patrol boats will be alerted to your presence. The Race Officer will inform helms of the race course and advise as necessary. **It is important that boats stay within agreed sailing areas, keep clear of marks, start and finish lines and return to BHYC with the racing fleet, when they should inform the race officer at the Jubilee Centre.**

### **Racing**

All members are welcome to join in the racing. Full Racing Instructions covering all Club races are available on the BHYC website and from the foyer or The Jubilee Centre. Racing instructions covering the events organised under the burgee of East Wight Combined Clubs (EWCC) will be issued in the summer as part of their Regatta Series Programme. **It is essential that helms sign the indemnity form in the Jubilee Centre before their first sail of the season. All helms must Sign-On at the race box.**

We start our main season at the Easter Series with a series of eight races. Please study BHYC Racing and Training programme in the middle of this booklet where full details are given; we have tried our very best to please everyone from racers to "just potterers" alike. More information will follow throughout the season in the Club Newsletter. Please pick up a EWCC 2018 Programme at the bar for details of Regattas around the region when available in April.

### **Format of Racing**

To reduce congestion in the harbour and to reduce the risk of collision, the majority of starts at summer weekends will be from a committee boat outside the harbour as identified below. There will still be starts from the Harbour Line for all races in the Icebreaker, Breakfast, and Evening series. Where two races are designated, the points from each race will contribute towards the series totals. Between Easter and June a number of Cadet Challenges will be organised in conjunction the racing. This is primarily for cadets and novices (although all welcome), at the discretion of the training programme leader on the day. There will be a number of short races from a committee boat, depending on the weather.

The schedule of racing for the season is given in the sailing programme. Apart from the Icebreaker Series, which is for Slow Handicap boats only, and other special races

as indicated in the racing instructions, dinghies will race in two separate groups depending on numbers; Handicap and Scows (additional class racing may be introduced should any particular class generate an average of 5 entry per race in the preceding series) with 5 min between starts. . The start time and starting line, Home (H) or Committee Boat (CB), shown in the programme is that for the first race. For the committee boat starts please allow enough time to sail out of the harbour and get to the committee boat.

### **Sailing Support Crews "DUTYMAN"**

All competitors are encouraged to sign on to "Dutyman", on the website. It is your chance to volunteer to be Race Officer, Race Officer's Assistant, Safety Helm or Safety Crew. You can do as many duties as you like although those participating in sailing will be expected to undertake duties which will be allocated according to experience / qualification. The next few weeks' diary of duties is always put in the newsletter and more than those few weeks if available on the website. Should you have any difficulties with "Dutyman" please speak to anyone on the Sailing Committee who would welcome your question.

Helms require a minimum of RYA Powerboat Level 2 Certificate and preferably a VHF Certificate. Crews need no qualifications but are expected to be reasonably fit and agile. Crews wishing to gain qualifications should watch the notice board and newsletter for details of courses. Offers of help for support boat duties should contact [dutyman@bhyc.org.uk](mailto:dutyman@bhyc.org.uk) Race Officers should arrive **1 hour** before the race start. Crews should report to the Race Officer **1 hour** prior to Committee Boat (CB) Start and at least 45 **minutes** before a Home (H) Start.

### **Novices**

There is not a specific race for Novices outside the Cadet and Novice Regatta on the 27<sup>th</sup> August. However any novice is always welcome to join in any race and we will try to have a coach on the water to assist you round the course. If on any day there are a number of Novices who would like to race separately we will try to organise a separate course. A novice is someone with less than two seasons' racing experience. In each single-hander (including Scows) the helm must be a novice but an experienced advisor may be carried.

### **BHYC Regatta**

The BHYC Regatta will be on 25<sup>th</sup> and 26<sup>th</sup> August. Details and racing instructions will be available on the BHYC website and in the East Wight Combined Clubs website ([www.ewcc.co.uk](http://www.ewcc.co.uk)) and their Programme which also provides information on other local regattas. The Cadet Regatta will be on 27<sup>th</sup> August, There will be a race outside the harbour followed by fun and games off the clubhouse. Full details will be posted on the notice board

Bembridge Village Regatta on Saturday 28<sup>th</sup> July, hosted by BSC with BHYC. This is followed on the Saturday 4<sup>th</sup> August by the EWCC Dinghy Regatta.

Scow Open Championships will take place on 6<sup>th</sup> August, Parade of Sail around the fort on Tuesday in August.

Full details of all the Regattas can be found in the East Wight Combined Clubs (EWCC) Programme available from the Club bar from April.

## **Inter-Club Racing**

Apart from the EWCC Regattas, there are 'home and away' interclub team events for Scows. These are against Yarmouth and other local clubs. BHYC competes with four other clubs in Mermaids and a team race against SVYC during June and July. Dates for these will appear in this Programme. All are welcome to these events both to sail and support.

## **Wayfarers and Swans**

The Wayfarer Series for the coveted Wayfarer Cup will run throughout the season. The Wayfarer Shield will be awarded to the crew who have managed the most race starts over the course of the season.

There is a growing number of Swans within the Club. The Club has its own Swan which can be hired for racing and pottering. There is also an active Swan Owner section which aims to get as many Swans sailing as possible.

## **Hire of Club Boats**

There are a number of Club boats that can be hired when there is a Club event on. If you wish to book a boat then please fill in the interactive form on the website and submit it.

## **Cups & Trophies**

Cups and Trophies will be awarded to the overall winners in the Fast Handicap, Slow Handicap and Scow Class in each of the series. The Sailing Committee will consider the addition of cups for other classes at the end of the season.

The prizes will be presented twice a year. At the **Fitting out supper** in March prizes will be presented for the Frostbite series also special prizes to include prizes for crews. The Icebreaker prizes will be presented on the last day of the series.

At the **Laying up supper** in September all the prizes from the Easter to the Autumn Series are presented along with the special races for that season.

Any cups or trophies for the regattas will be presented on the last day of those Regattas as laid out in the EWCC programme.

A full breakdown of the prizes presented and the winners is available on the BHYC Web site via the Club's results page.

## CRUISING AND MOTORBOAT SECTION

### Cruising

Boat rallies, Island Walks and Lunches, Suppers and Social Events open to all BHYC members – Sail and Motor Boat.

Captain: Ian Jefferies [cruising@bhyc.org.uk](mailto:cruising@bhyc.org.uk)

Secretary: Anne Prince [anneprince.2009@gmail.com](mailto:anneprince.2009@gmail.com)

### Cruising Section Programme 2018

Details of each event will be circulated by email, the BHYC Newsletter and the Notice Board. The programme will also be published in the Sailing/Cruiser Section of the Club website.

For full details on all our cruises and walks for this current year please see our programme below and look out for the detailed information in the Newsletter and on the Club notice board closer to event dates.

### Motorboat

Although the BHYC Motor Boat Section has now been incorporated into the Cruising Section and therefore does not technically exist, a small number of us still meet in the Club every Wednesday evening at around 2030hrs to put the world to rights and to sink a pint or two. Anybody is welcome to join this gathering whether their motive power is sail or motor. Pre-booking is not necessary – a sense of humour is though! Just turn up and join the mostly light hearted chat.

## **CATERING**

Galley opening times and menus can be viewed, and printed if required, by clicking the links on the Club website [www.bhyc.co.uk](http://www.bhyc.co.uk)

If you wish to attend a Club function, please use the booking form displayed on the notice board in the Club Foyer or contact the Club, either by email to [office@bhyc.org.uk](mailto:office@bhyc.org.uk) or by telephone on 01983 872289.

Private parties and functions can be accommodated and catered for. Please speak with a member of the Bar staff for more details.
